Submission Form for Conference Presentations

September 16 -19, 2018 in Sun Peaks, BC

Do you have a preferred date or time for your presentation?	
Please include your headshot and short bio.	
Any questions or additional information	
Preferred presentation time? 30 or 45 minutes	

Additional Information:

Presentations are invited from members and non-members. Presentations from consultants and vendors are encouraged where there is a partnership with a municipality to highlight: What was the reason for the project or service? i.e. what was the problem or desired benefit? How was it resolved? What are the lessons learned i.e. apply the GROW Model

Presentations should be 45 minutes in length. Presenters are asked to identify what techniques they will utilize to actively engage the delegates and promote discussion, questions and sharing of information. Videos, panels, polls, bear pit sessions and other workshop and facilitation techniques are strongly encouraged.

Submissions are due: Friday March 23, 2018
